ROSSINI VS BACH

From the one-on-one challenges of the Urban world, an unusual duel with blows of notes, a "battle" that proposed by the dancers of the GDO / UDA.

Taking advantage of the irony and play that Rossini proposes and exalts and the architectural expertise of Bach's musical heritage which is very contrary to opera, GDO/UDA stages its challenge: the one between the two great composers who drag the spectators between syncopated, rhythmic brilliance and complexity of harmonies.
